ARTICLE I

ARTICLE II

GENERAL EMPLOYMENT PROVISIONS

A. CALENDAR/CONTRACT DAYS

1. Annually, the superintendent will convene a Superintendent's Calendar Committee that will give input to the superintendent to help him/her develop a tentative school calendar for the next school year. The tentative calendar will then be submitted to the Board of Education.
2. The Superintendent's Calendar Committee will be comprised of the superintendent, one additional administrator, a teacher from each of the district's four attendance centers, and one parent from each of the site councils of the four attendance centers as chosen by the site council. No Board member will be a member of the committee.
3. Final approval of the calendar will come from the Board of Education.
4. Returning teachers will have a 188-day contract.
5. Teachers new to the district will have a 190-day contract.

B. DEFINITION OF PROFESSIONAL EMPLOYEE

As used in the following Agreement, the term "professional employee" shall mean and include all licensed employees of the school district except administrators, substitutes, and school nurses. For the purposes of this Agreement, the word "teacher" may be used interchangeably with "professional employee".

C. TEACHER HANDBOOKS

Teachers will be provided with handbooks by the first day of school to include the negotiated agreement. Board policy books will be provided to the LEA president, the building representatives, and the negotiating team members in digital format. Upon request, a printed version will be provided. Two copies will be placed in the building library and one in the building principal's office. Teachers may request copies of the licensed personnel section.

D. TEACHER ORIENTATION

Teachers new to the district will be on a 190 day contract rather than the 188 day returning teacher contract. The additional days will be prior to the first day for the returning teachers and will be used for teacher orientation, reviewing scope/sequence objectives, and training in the teacher effectiveness model and classroom management activities. Teachers will be compensated for the additional days at a rate of 1/188th of their salary per day.

E. NOTIFICATION OF VACANCIES

The superintendent shall notify the LEA in writing and/or by electronic means (fax, e-mail, District Website) of any professional employee and supplemental vacancies existing in U.S.D. #469 at the time of the notification of any college, university, or placement bureau of such vacancies. Any teacher employed by U.S.D. #469 who is licensed for and makes a written request to both building administrator and superintendent to transfer to a vacant position within the district will be considered and interviewed prior to interviewing external applicants. The applicant will be interviewed for the position by the building administrator within five (5) school days of the posting. Said five days will be waived upon the last day of school through September 20th of the following year. Any employee who transfers to an administrative or supervisory position, and who later returns to former status, shall be entitled to retain such rights as may have been accrued under this Agreement prior to such transfer. This provision should not be construed to create any right on the part of the employee to return to his or her former status.

F. NON-STUDENT-CONTACT DAYS

The school calendar shall provide for at least eight (8) non-student-contact days per school year. These days shall be designated as follows:

- 1 orientation day for faculty at the beginning of each school year
- 1 class preparation day at the beginning of the first semester to be meeting free and 1 class preparation/grading day at the beginning of the second semester to be meeting free. Teachers will not have to provide final grades to administration before the end of that preparation/grading day.
- 1 end of year workday
- 4 in-service training days (which shall include a minimum of eight (8) hours total for school improvement work)

The content of in-service training days will be determined by the Board of Education and the Professional Development Council (PDC) in accordance with the Academic Calendar and will meet Kansas state instructional day/time requirements (K.S.A. 72-1106). At least one teacher on each PDC will be named by the LEA. Names will be provided to the superintendent by September 1st annually.

G. STAFF MEETINGS

Some or all teachers may be required to attend up to one hour per month for staff meetings in their buildings. Staff meetings will not exceed ten hours during the school year and will be considered part of the present 188/190 day contract.

H. TEXTBOOK SELECTION

Textbook committees composed of teachers, principals, and the assistant superintendent shall review textbooks and shall make recommendations to the administrative team for consideration. Final selection shall be left to the Board of Education or its authorized representatives.

Should a teacher be transferred after July 1, the teacher to be transferred will be allowed to resign without penalty. If additional training or course work is required by the Board to fulfill the terms and conditions of the new assignment, the Board agrees to pay up to \$300.00 of the costs associated with this transfer. Training or course work requested by the teacher must be approved by the administration. Involuntary transfer or change in primary teaching assignment shall not take place after July 1 unless; the Board has sought voluntary transfer from all other qualified professional staff, or a new class has been established to meet the educational goals of the district.

All relevant evidence shall be admissible, except that the hearing officer, in the hearing officer's discretion, may exclude any evidence if the hearing officer believes that the probative value of such evidence is substantially outweighed by the fact that its admission will necessitate undue consumption of time.

An employee hired or reassigned after the beginning of the school year shall be notified by the appropriate supervisor (within 20 contract days) of the evaluation procedure, including criteria for the evaluation and instruments used for the required observation in effect. No required observations will take place until after such orientation has been completed.

ARTICLE III

TEMPORARY LEAVES OF ABSENCE

A. LEAVE PROVISIONS

1. LEAVE APPROVAL

Each faculty member will ensure that his or her principal, or other person designated by the superintendent, is notified at the earliest possible time of his or her impending absence and will keep the district informed as to the status and possible duration of the absence. All planned absences must receive prior approval.

2. PARTIAL DEDUCTIONS FOR SUBSTITUTE

In cases in which a teacher is absent one-half day only, one-half day's leave will be charged. There will be no hourly deduction. Teachers who call in the morning for a substitute for the day, or who leave during the day and request a substitute for the remainder of the day, may not be permitted to resume their duties until the following day. Teachers who leave during the school

day due to illness will be charged only one-half day of leave if they have been on duty for at least three (3) hours.

3. MILITARY LEAVE

Teachers shall be entitled to paid leave for military service as provided by law (generally up to 15 work days each federal fiscal year). In addition, for any leave necessitated by military service in excess of 15 work days for any fiscal year during which a teacher is called to military duty, the teacher may take any other form of paid leave to which the teacher may be entitled, and after the exhaustion of such paid leave may take up to 16 additional days of leave during that fiscal year for which the teacher will be paid at his or her regular rate, less the current pay rate for substitute teachers.

B. ACCUMULATED TEMPORARY LEAVE

1. CHARGEABLE (SICK/PERSONAL) LEAVE

All teachers in the Lansing district will receive leave of 12 days at the beginning of each contract year. Teachers with 10-19 years of service in the district will be granted one (1) additional day at the beginning of each year. Teachers with 20-24 years of service in the district will be granted two (2) additional days of leave at the beginning of each year. Teachers with 25 years or more of service will be granted three (3) additional days of leave at the beginning of each year. Part-time teachers' leave will be in proportion to his or her daily rate of earnings. Days not used may accumulate up to 95 days; however, no more than 80 days may be carried forward from the preceding year.

Chargeable leave will cover absences for illness or personal matters which require absence during regular school hours. Such absences will be deducted from the accumulated leave allowance and any of the unused days (not in excess of 80 days) shall be carried forward to the following year. The teacher's request for anticipated leave will be made to the building administrator at least three (3) contract days in advance. It is the intent of this provision to grant the day of leave at the time requested; however, should it be an inopportune time, an alternate day may be required. Personal leave will not normally be granted at the beginning or end of the school year or in conjunction with holiday leave. Leave days in excess of the yearly allowance may only be used for sick leave except in extenuating circumstances with written permission from the superintendent. Sick leave will cover absences for the teacher's own illness or illness in his or her immediate family. The term "immediate family" shall be interpreted to include the teacher and spouse, mother and father of the teacher and spouse, children of the teacher, and brothers and sisters of the teacher. (It is not the intent of this provision that absences for other than the teacher's own illness could be used for an extended length of time.)

Teachers who have accumulated more than 80 days of chargeable leave and are going to lose days at the end of the school year will be compensated for any days lost at 60% of substitute pay for those days. Any absences in excess of earned and accumulated leave will result in a loss of pay at the rate of 188th (190th) of the annual salary for each day's absence.

2. BOARD OF EDUCATION EMERGENCY SICK LEAVE POOL

Licensed employees have the option of joining the annual emergency sick leave pool. Those who wish to join the pool must donate one (1) day of their leave days to the emergency sick leave pool. The donation must be made within the first 30 days of the employee's contract year. Only those who have donated days to the Pool for the year are eligible to draw from the pool.

In an instance of prolonged catastrophic illness or personal injury (other than that covered by Worker's Compensation), a teacher, or their legal representative, may make written application to the Superintendent to receive days from the Pool. The Superintendent will approve or deny the request to be effective after all the employee's leave days have been exhausted. If the request is denied, it may be appealed to the Board of Education, whose decision will be final. In considering the granting and/or continuation of such a request, the Superintendent may require documentation or other proof as deemed necessary under the circumstances.

At the conclusion of the emergency situation, the teacher will be granted five (5) leave days from the pool which may be used during the remainder of the year, but any days remaining at the end of the contract year will be returned to the pool.

3. BEREAVEMENT LEAVE

Bereavement leave will be granted in addition to the leave days allowed for leave. Leave in excess of two (2) days for any bereavement will be with the advance approval of the building principal or the superintendent and deducted from the teacher's leave accumulation. Bereavement leave is for leave due to death in teacher's immediate family defined as follows: spouse, mother, father, children, grandchildren, brothers, sisters, grandparents, aunts, uncles, nieces, and nephews of either the teacher or the spouse, reference Article III, Section 2.

4. JUDICIAL LEAVE

Teachers shall be granted paid leave as necessary for jury duty or to appear in a court of law as a subpoenaed witness. To be eligible for such paid leave, the teacher must turn over to the district any compensation received by virtue of such service. Compensation shall not include reimbursable expenses. Written notification must be made to the administration prior to judicial leave and a written statement of pay received must be submitted at the completion of the leave.

C. PROFESSIONAL LEAVE

Attendance at conventions, institutes, workshops, coach's clinics, professional meetings, or trips involving school business will be approved in advance by the administration. Approved leave will not be charged to the employee.

1. BUSINESS LEAVE

The LEA will annually receive four (4) teacher contract days to be divided among its members as professional leave to conduct LEA determined business. Ten working days advance notice will be given to the administrators for subsequent approval by district level administration. It is the intent of this provision to grant the day(s) of leave at the time requested; however, should it be an inopportune time, an alternate day(s) may be required. The LEA shall reimburse the district at the current board approved substitute rate and the absence will not be charged personally to the teacher(s) using the day(s).

2. EMERGENCY LEAVE

The officers of LEA shall receive a maximum of ten (10) days emergency leave to conduct association business within the school district on behalf of its members. Officers of LEA include President, Vice-President, and respective building representatives. Emergency is defined as situations where there are potential changes in teacher employment, contractual provisions, disciplinary actions, extreme personal or family emergency, and/or for the purposes of avoiding a formal grievance. Such leave is limited to one officer per emergency and must be approved by their respective building level administrator. The LEA shall reimburse the district all incurred expenses resulting from the emergency leave including but not limited to the current board-approved substitute rate, and the employer's share of FICA. The officer will not be charged personal leave time for approved emergency leave.

D. SALARY REDUCTION

Salary reduction for days absent and not covered by the foregoing leave shall be at the rate of 1/188th (1/190th) of the annual salary.

E. WORKER'S COMPENSATION

Teachers shall be protected by a worker's compensation insurance policy provided by the Board of Education. The policy will provide coverage for medical expenses and wages to the extent required by statute to those who qualify. Any teacher who is accidentally injured in any way while in the performance of duties for the district shall immediately report such injury to the school principal or to an immediate supervisor.

When absent due to an injury which results in temporary worker's compensation benefits, a teacher shall not be paid any additional salary unless the teacher elects to use leave as a supplement. In that event, the teacher will be paid and charged for one-half day of leave for any days absent during the school year. Permanent partial payments, either body as a whole or scheduled, shall not be deducted from salary if the teacher has returned to work following temporary disability.

ARTICLE IV

EXTENDED LEAVE OF ABSENCE

Teachers who have been employed within the district for a period of at least five (5) years may request a leave of absence for full-time study leading to an advanced degree. Upon the availability of a suitable replacement and the recommendation of the superintendent, the Board may, in its discretion, approve the request.

1. All requests for an extended leave of absence will be applied for in writing, and those which are approved will be granted in writing. Professional employees requesting reassignment upon completion of an extended leave of absence will be assigned, at the discretion of the school district, to the same or substantially equivalent position based upon their professional preparation, experience, and certification.

2. Such leave, if approved, shall be granted without pay for a period not to exceed one year. Requests for a one-year extension of this leave may be approved upon written application to the office of the superintendent. A request for return to duty by the professional employee must

include an official transcript showing evidence of successful completion of the nine hours of graduate credit for each semester of academic study.

3. In the case of a returning employee, such employee will not be granted any experience credit for the time absent. No experience credit for movement on the salary schedule will be granted during this period. While on extended leave, the teacher shall retain all accumulated temporary leave. However, no additional temporary leave shall accrue during the extended leave of absence.

ARTICLE V

REDUCTION-IN-FORCE PROCEDURE

Due to declining enrollment, financial reasons, or curriculum realignment, the Board of Education may deem it necessary to require a reduction of personnel.

Whenever possible, the reduction of staff shall be accomplished by normal attrition or early retirement. If further reduction is necessary, the Board will be governed by the following provisions in placing staff on involuntary leave.

1. No tenured teacher will be placed on a leave of absence while non-tenured teachers are retained in positions for which a tenured teacher is licensed.

2. Personnel reductions will be made on a district-wide basis rather than building by building.

3. Other facts for consideration are seniority, certification and endorsements in areas of need, qualifications for academic areas of disciplines to be preserved in relation to available staff to fill such positions, reassignment and transfer options, and application of federal and state equal employment laws.

Personnel subject to the Reduction-in-Force procedures shall be provided written notice of such reduction on or before May 1 of the current school year. Such written notification shall be provided by Kansas statutes regarding Due Process procedures and the Continuing Contract Law.

RECALL

No appointment of new teachers will be made while there are available tenured teachers on unrequested leave of absence who are licensed by the State Department of Education to fill such vacancies. Teachers will be carried on a recall list for a maximum of two (2) years from the date of reduction. This leave of absence from the district will not impair the tenure of the teacher. The Board may transfer existing personnel to vacancies before recalling anyone.

A teacher who is subject to a Reduction-in-Force will, if requested in writing, have priority on the substitute list.

It will be the responsibility of the teacher to notify the district, in writing, of changes of address or qualifications no later than December 1 of each calendar year. Teachers shall be notified in writing, by certified mail, when a vacancy occurs. The teacher shall have fifteen (15) calendar

days from receipt of such notice to accept the vacancy. If the teacher declines, or fails to respond to such offer, the teacher shall be removed from the list.

Teachers may retain membership in the district health coverage plan at their own expense, subject to acceptance by the carrier.

Teachers will be recalled in reverse order of RIF. The last person released will be the first person recalled.

ARTICLE VI

GRIEVANCE PROCEDURE

The purpose of this procedure is to secure, at the lowest possible level, solutions to the problems which from time to time arise affecting teachers. Both parties agree that proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure. Questions arising from the interpretation or application of this Agreement may be addressed between the Board and the Association upon written notice with voluntary mutual consent of both parties.

1. A "grievance" is a claim by a teacher that there has occurred a violation of that teacher's contract, including the terms of this Agreement. Nothing in the provision shall preclude a teacher from discussing a grievance with his or her principal or immediate supervisor in an effort to informally resolve the grievance. However, the teacher may file a written grievance which shall: (1) be signed by the grievant; (2) be specific; (3) contain a synopsis of all facts giving rise to the grievance; (4) cite the article, section, and page number of the Agreement which has allegedly been violated; (5) contain the date of the alleged violation; (6) specify the relief suggested; (7) contain a statement indicating how the alleged facts, as applied to the Agreement, result in the alleged violation; (8) be filed on a form provided by the district.

2. A teacher shall, within ten (10) working days after the occurrence of the event which is the subject of the grievance, file the written grievance with his/her principal or immediate supervisor, whichever has the authority to deal most effectively with the grievance. Within five (5) working days of receiving the written grievance, the principal or immediate supervisor shall confer with the grievant in an effort to resolve the grievance; and within five (5) working days after the conference with the grievant will submit a decision in writing to the grievant.

3. If the grievance has not been settled in a manner satisfactory to the teacher, he/she may submit the written grievance to the superintendent within five (5) working days after receiving the reply from the principal or immediate supervisor as the result of Section 2 above. The superintendent will arrange for a meeting with the grievant within five (5) working days of receiving the written grievance from the grievant. Within five (5) working days following such meeting, a written decision will be provided to the grievant by the superintendent.

4. If the grievance is not then settled in a manner satisfactory to the teacher at the superintendent level, the teacher may submit the written grievance to the Board for its consideration.

5. a. If a hearing is requested by the teacher, such hearing shall be granted and the

Board may hold the hearing or assign a Hearing Officer to hear such grievance and make findings and recommendations to the Board. Such findings and recommendations shall be made to the Board within twenty (20) working days after the grievance has been assigned to the Hearing Officer.

b. The Board shall rule upon such grievance within thirty (30) working days after receipt of the findings and recommendations of the Hearing Officer.

6. a. The Board's decision shall be final; however, if the grievance is based on a claim of a direct violation of the negotiated agreement with the LEA, the LEA may request mediation within thirty (30) calendar days.

b. The LEA and the Board shall seek to agree on a mediator. If the parties are unable to agree upon a mediator within fifteen (15) working days from the date mediation is called for, the parties shall request a panel of five (5) mediators from the Federal Mediation and Conciliation Service. Within ten (10) working days after receipt of such list, the mediator will be chosen as follows:

(1) The LEA shall strike the name of one mediator first. Thereafter, the parties shall alternate until the name of one mediator remains. The person whose name thus remains will be the mediator of the grievance.

(2) When a list of names is furnished by the Federal Mediation and Conciliation Service for the purpose of mediator selection, either party shall have the right to reject the first list submitted.

c. The expense of each witness and the compensation of any witness and/or representatives for either party shall be paid by the party calling such witness. The mediator's fee and expenses shall be shared equally by the Board and the LEA.

d. The Board shall reconsider its ruling based upon the recommendations of the mediator.

7. GENERAL PROVISIONS

a. No grievance shall be recognized at any level unless it shall have been filed within ten (10) working days after the occurrence of the event which is the subject of the grievance.

b. In the absence of a written reply to the grievant by an administrator within a five (5) working day period, the grievance is considered to be denied and the professional employee may submit the grievance in writing to the next level.

c. Except at the informal stage, the grievant may request that an association representative be in attendance along with the grievant.

d. It is understood that the grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable contract provisions.

- e. No reprisals will be taken by the Board or the administration against any participant in the grievance procedure by reason of such participation.
- f. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, an attempt will be made to reduce the time limits set forth herein so that the grievance procedure may be exhausted within a maximum of 30 calendar days after the conclusion of the school year.
- g. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate file and will not be kept in the personnel file of any of the participants.

ARTICLE VII

FRINGE BENEFITS PLAN

1. The Board of Education will provide district health insurance premium benefits for each eligible licensed staff member. The amount of the benefit will be based upon the level of coverage that each individual employee enrolls in, and is paying the employee share of through payroll deduction. solely the licensed employee's responsibility to complete the form and submit it to the Board office on or before the prescribed date. Each licensed employee agrees to hold the district harmless from any failure on his/her part to submit the necessary form in a timely fashion. Once made, a Salary Reduction Agreement and Benefit Election shall be irrevocable (except as specifically allowed by Internal Revenue Service regulations) for that particular benefit plan year.

6. It is agreed that professional employees shall comply with all applicable directives of the Internal Revenue Service or other federal or state regulations, as amended, in administering and maintaining the Section 125 Cafeteria Plan. TAX SHELTERED ANNUITIES

Teachers will be permitted to enter into a salary reduction plan for a tax-sheltered annuity as provided by law.

Proposed Internal Revenue Service regulations for Sec. 403(b) plans, when finalized, will require changes in the operation of the Lansing Unified School District's Sec. 403(b) plan. Lansing Unified School District agrees that the Security Benefit Sec. 403(b) plans approved by the Kansas-NEA and the National Education Association (NEA) will be made available as a part of the Lansing Unified School District's Sec. 403(b) plan. Further, it is agreed that the Lansing Teacher's Association will have input into the Sec. 403(b) plan design of the Lansing Unified District.

ARTICLE VIII

DUTY DAY

A. LENGTH OF DAY

The duty day for all teachers shall be seven hours forty-five minutes. The total teaching time and planning time during a duty day by a teacher shall not exceed six hours and fifty minutes.

Should the Board of Education elect to operate the school district on the basis of statutorily defined hours for any given school year, teachers may be required to work or teach more than six hours fifty minutes during the school year.

Teachers are responsible for the supervision of students between the teachers' contractual arrival time and the start of classes, and between the end of classes and the teachers' contractual departure time. The nature of this supervision will be determined by the building principals.

Only in the case of exceptional circumstances will such supervision extend beyond the normal duty day. Teachers shall be provided a minimum of thirty minutes for a duty-free lunch each day; however, passing time to and from lunch can be counted as part of the thirty minutes allowed.

B. SUBSTITUTE UNAVAILABILITY

If, due to the unavailability of a substitute, a teacher covers a class during his or her planning

time at the request of the principal, such teacher will be compensated at an hourly rate of \$16.00 per hour. (Refer to Article II M.)

ARTICLE IX

SALARY SCHEDULE AND CONTRACTS

A. SALARY SCHEDULE

1. All new teachers will given up to a maximum of twelve (12) years on the salary schedule according to actual contracted experience and education which is approved by the Board of Education. This provision is not retroactive. It will not have application to teachers returning from extended leave as defined in Article IV.

2. All teachers shall be selected by the Board through the recommendations of the superintendent. Teachers who accept employment or sign contracts agree to accept the assignments of the superintendent which are, where practical, in keeping with the state Department of Education and North Central Accreditation policies.

3. Substitute teachers may be employed outside the salary schedule.

4. Teaching contracts are for the length of the school term. Payment for those services will be made over a twelve month period of time or in a lump sum payment (June payment) if the teacher so requests in writing on or before April 1 of the school term.

5. The so-called extra duties not listed in the salary schedule will be part of each teacher's normal load. Fair and equitable distribution of these duties to all teachers shall be the responsibility of the building principal. Such assignments are to be made and adjusted at an open meeting of the entire building staff prior to the beginning of each semester.

6. Teachers regularly assigned additional duties outside the normal day, such as coaching athletics, music, school plays, etc., will be paid additional increments in accordance with a published schedule for those activities.

7. Because some teachers are responsible for supervising coursework which extends beyond the duty day, teachers in the following areas will receive extended contracts as follows:

High School Instrumental Music	16.75 days
Middle School Instrumental Music	6.25 days
High School Vocal Music	11.5 days

8. For the duration of this agreement, when circumstances are encountered that require the addition of coaches/sponsors that are not budgeted for, to ensure that interested students can safely participate, the LEA and Board of Education agree to enter into discussions to determine if qualified volunteers can be used to coach and supervise students. Agreement to this item is contingent upon LEA's annual receipt of a list of those coaching positions budgeted for the following year.

9. Licensed tutoring outside the school day will be paid at \$16.00 per hour.

B. ACQUIRING COLLEGE HOURS/ PROFESSIONAL DEVELOPMENT PLAN POINTS

In order to facilitate budget planning, teachers must notify the Board in writing before May 1st if they expect to acquire additional college hours/Professional Development Plan (PDP) points that would qualify them for horizontal movement on the salary schedule.

1. No teacher may move more than one step horizontally and one step vertically on the salary schedule in any one year, except those returning teachers who have been on approved leave of absence may, where appropriate, move more than one step horizontally on the salary schedule.

2. Salary adjustment for increased training is made once a year. Each teacher shall file with the superintendent a copy of all official college transcripts and Professional Development Plan (PDP) points before the first day of October of the year in which the increase is desired. In the event an official transcript is not available by that date, other evidence may be substituted until the transcript is available. Any change on the salary schedule resulting from these additional credits and PDP points shall be retroactive to September 1 for salary schedule placement purposes.

3. To be applicable, credits must be in the major area of a professional employee's major or minor teaching field, or be applicable to a professional development plan, and be earned from an accredited college or university. To qualify for a degree plus a given amount of hours (i.e., BS+20), the additional hours must be earned subsequent to the actual conferring of the degree.

4. Teachers shall progress across the salary schedule when the hours and points completed reach the minimum for that column. One (1) semester hour of college credit shall be equal to twenty (20) professional development points. All student impact points awarded by the Professional Development Council (PDC) and in compliance with KAR 91-1-218 will be allowed for salary schedule movement. Knowledge and application points awarded by the PDC and in compliance with KAR 91-1-218 will be allowed for movement on the salary schedule when the teacher has paid for registration and time is outside the teacher ' s duty day.

5. Incoming teachers may use previous PDP points from other education agencies for salary schedule advancement, if said points were earned after July 1, 2003, and meet Lansing USD 469 criteria for earning PDP points.

6. Payment shall be made for PDP points as approved following procedures as adopted by the PDC. The criteria for payment shall include the following:
 - a. Points earned from financial commitments made by USD 469 shall be excluded. Examples, but not limited to:
 - Expenses paid by the district
 - Time release from contract
 - b. Payment made at the negotiated hourly rate for school improvement.
 - c. Maximum payment for 15 points per year (July 1 to June 30).
 - d. Payments shall be added to payroll at the end of the year.

7. All members of the Professional Development Council must participate in the initial KSDE approved training session for PDC's.

C. TEACHER RELEASE

In order to stress the importance of honoring a professional contract, the Board will have the option of releasing a teacher upon payment of Two Hundred Dollars (\$200) after June 1; Four Hundred Dollars (\$400) after July 1; Eight Hundred Dollars (\$800) after August 1 to completion of the contract. There will be no waiver of the liquidated damages in the event a teacher resigns subsequent to June 1 of any contract year.
